Copious extracts from the diary of the late Gen. Gordon, written at Khartoum, between Sept. 19, and Dec 14, 1884, are printed. The Ohio Prohibition Convention, held at Springfield, Ohio, July 2d, nominated A. B. Leonard, of Springfield, for Governor; Supreme Judge, G. Steward, of Huron County; Treasurer John H. Danner, of Stark County; Attorney General, A. T. Cievinger, of Clinton County; Board of Public Works, J. S. Neville of Hardin county. The platform demands a prohibition amendment and opposes license, tax or regulation of the liquor traffic. It says friends of prohibition should not be controlled by either of the old parties, because both have shown themselves subservient to the liquor interests. The rum power must be vanquished by a new party devoted expressly to that purpose.

Miss Anna Johnson, of 24 Front street, Columbus, Ohio, says: "I suffered from an aggravated form of constipation and indigestion for several months. My family physician tried all kinds of medicines and pills, but to no effect. I began to think my case was a hopeless one. A friend of mine (Mrs. Elvira Redmond, of East Long street, this city), called, and seeing the condition I was in, recommended me to try your MANALIN. I must say I had but little faith in the medicine, but after I had taken a few doses I was convinced that MANALIN was the medicine for me. After I had taken one bottle I was entirely well of my complaint. I consider it one of the best remedies for constipation I have ever used. I have several friends who are using it. They think it an excellent remedy. I recommend it to all who are afflicted with constipation or indigestion. Any one doubting this statement is invited to call on me at 24 Front street."

Mr. Milton Knotts, Urbana, O., writes: "Last November one year ago I was taken sick, and called in our family physician. He examined me and said I had symptoms of typhoid fever. He gave me medicine for two weeks or more without any relief. I began to think that my days on earth were fast closing in. I saw at once that his medicine would not reach my disease. Just as I was about to conclude that I would have to die, my daughter brought me one of your pamphlets. I noticed a case whose symptoms were like mine, and PERUNA and MANALIN had cured him. I concluded at once to try it. I procured one bottle of PERUNA and one of MANALIN, and took them as directed, and before I had used the two bottles I began to receive strength and gain in flesh. I finished the rest of the two bottles and continued its use until the third bottle was used. When they were used I could eat anything I wanted to and go about my work. I consider that if it hadn't been for your PERUNA I would have been in my grave. Parties wishing information can write me at the above place. I recommend your medicine wherever I go."

Mr. John R. Davis, Moundsville, W. Va., writes: "I have been handling your PERUNA ever since its introduction. All who have used it speak highly of its curative properties. I consider it a reliable remedy."

Mr. George Fisher, Portsmouth, O., writes: "I am handling your PERUNA, and having a good trade on it. It gives splendid satisfaction."
